THE LUNAR COLLECTION

GUEST ROOMS | PUBLIC SPACES | DINING

The yin to the sun's yang, the moon is celebrated in Chinese culture. The Moon Festival, celebrated every year when the Autumn Moon waxes full, brings promises of abundance, harmony and good fortune to the people of China.

Many are drawn to the Moon's mystery and charm and for us at Lewis Mittman Hospitality we drew on this wonder to create this year's collection – **The Lunar Collection.**

lu·nar
'lōōnər/
adjective
adjective: **lunar**
of, determined by, relating to, or
resembling the moon

**“The Moon is the first milestone
on the road to the stars”**

Arthur C. Clarke
